### CONFIRMATION

Confirmation including pickup times and locations will be mailed at least one week before tour departure. If a tour is sold out when your reservation request is received, you will be notified.

### WAITING LIST

If a tour is sold out, your name will be placed on a waiting list. If we receive a cancellation or establish an additional bus, you will be called to decide if you wish to participate. Names will be taken in the order received.

### PAYMENTS

You may remit payment with your reservation or you may pay at any of our bank offices. Trip payments are due by date shown for each trip and must be remitted by that date. In order to make deposits and payments to restaurants, tour groups, etc., your cooperation with this policy is greatly appreciated. Trips are selling out quickly, so if payment is not made by due date, reservations will be offered to someone on the waiting list.

### CANCELLATION POLICY

Trips must be canceled at least 30 days prior to trip for a refund, and refund must be received from the tour company. No refunds will be made with less than 30 day notification. No exceptions.
